At Gaby Hardwicke we pride ourselves on specialist expertise and innovative solutions while retaining the core values of our nineteenth century founders.

Central to the culture of our offices at Hastings, Bexhill, Cooden and Eastbourne is the pursuit of excellence designed to ensure that our standards of advice and service are second to none.

Moving in the right direction

Moving home is stressful at the best of times and becoming involved in a long chain can be a nightmare. At Gaby Hardwicke we aim to take the strain out of conveyancing. Our dedicated conveyancing lawyers will steer you through the process from start to finish advising you at every stage what is best for you.

We strive to provide a same day service and will ensure that everything is dealt with thoroughly but expeditiously and that you stay ahead of the others in the chain.

We will help you with every aspect of your move and, if you are unfamiliar with the process, we will explain in plain English exactly what you have to do and when.

We will make moving home as easy as we can.
